What is a Special Event?

A Special Event is an assembly, demonstration, display, festival, parade, or rally conducted by a person other than a ceremony, gathering, or press conference conducted by a person authorized by the head of a state agency using the agency's own office space. (A.A.C. R2-11-401)

What is a Solicitation?

A Solicitation is an activity that can be interpreted as being for the promotion, sale, or transfer of products, services, memberships, or causes. Distribution or posting of advertising, circulars, flyers, handbills, leaflets, posters, or other printed information for these purposes is solicitation. (A.A.C. R2-11-301)

What is a Solicitation Fair?

A Solicitation Fair is an organized solicitation on state property allowing multiple solicitation applicants under one permit at a designated time, place and manner established by ADOAGSD.

What is the process?

A person shall not use ADOA state buildings or grounds for a special event without express written permission from the Director of the Department of Administration (“Director”) or the Director’s designee. Anyone who plans to host a Solicitation or Special Event (as defined above) must follow the procedures below. It should be noted that prior to issuance of a Solicitation and Special Events Permit, all steps listed below must be completed before your event will be approved. (A.A.C. R2-11-402)

(1) Check for facility availability by phoning the Special Events Office at 602.542.0034

Please note: Inquiries of availability does not guarantee that the date is reserved for your group.

Booking Policy

(2) If a facility is available, submit a Solicitation and Special Events Permit Application to the ADOA GSD Office of Special Events. Once the application is received in the Office of Special Events, the date requested will tentatively be held for your event. Applications are available online at <http://gsd.azdoa.gov/Applications.html>

Alcoholic beverages are strictly prohibited on ADOA GSD managed property, pursuant to A.A.C R2-11-102.

A copy of your liquor permit will be required by the Office of Special Events if alcoholic beverages will be consumed on adjacent City of Phoenix or Legislative Council properties in conjunction with an event being held on ADOA managed properties.

The Office of Special Events may require additional security and/or insurance requirements if alcohol will be present on adjacent properties.

SECTION 3 STREET CLOSURES AND RESTRICTIONS

An Applicant who wants to host an event that will involve closing a public right-of-way or a state-maintained right-of-way (street, sidewalk, or alley) must request permission from the applicable City's Transportation office. In addition, ADOT will require an application for an Encroachment Permit if freeway ramps or right-of ways are closed.

City of Phoenix: www.phoenix.gov/specialevents

ADOT: <https://azdot.gov/business/Permits/encroachment-permits>

Street closings and placement of barricades/signage on public streets and right-of-ways must be coordinated with and approved by the appropriate City. If an event requires closure of streets or public right-of-ways, proper barricades and signage are required.

All signage and barricades must comply with the Manual of Uniform Traffic Control Devices. To ensure that Applicants are in compliance, the approved barricade company will be responsible for placement and removal of all barricades and signage before and after an event. Should a private barricade company do the barricading, the company must submit a traffic control plan. In addition, you must submit a detailed map (see [Section 12 – Site Maps](#)) showing where barricades and signs will be placed at the event.

The ADOA GSD may request that event promoters notify affected businesses and/or residents if an upcoming event will require street closure(s) and/or send a Street Closing press release and camera- ready Site Map to all media at least two weeks prior to an event.

SECTION 4 CLEAN-UP PLAN

ADOA may request a clean-up plan with your Special Events Application. The clean-up plan must include the following information:

- The names and contact information of individuals and/or groups responsible for cleaning up during and after the festival or event; and
- The location(s) where all waste, including cooking oils and gray water, will be disposed of in an approved manner.

NOTE: *Anyone who disposes of cooking oils, waste or gray water into storm drain sewers or sidewalk openings may be subject to fines and punishments pursuant to State and City Codes.*

If an Applicant fails to clean up a venue adequately or causes damage to ADOA GSD property or facility, the ADOA GSD will bill the Applicant for the cost to clean and repair the damaged property. If this occurs, the ADOA GSD may also deny an application for a future Solicitation and Special Events Permit.

Applicant agrees that the State Capitol Grounds and/or the Wesley Bolin Plaza Property, including all State buildings and parking lots, shall be litter free and policed during the date of the special event. This shall be done according to the Arizona Department of Administration's specifications. The Permittee agrees to an inspection by state representatives of the Sections secured for the special event. Permittee further agrees to accept liability for documented problems and will pay for any damages or costs associated with cleanup identified by state representatives, including ADOA or DPS Capitol Police, which were documented in writing and/or with pictures during the post special event inspection.

Applicants are responsible for prompt cleanup and removal of debris from all ADOA GSD streets, right-of-ways, affected property owners' sidewalks, steps, and alcoves, including after the event tear down is complete. Applicants are responsible for clean-up from when the set up begins until tear down crews have finished and have vacated the park.

SECTION 8 HEALTH PERMITS

If food or drink (other than pre-packaged) will be served at a festival or event, Applicants must obtain a Health Permit from the Environmental Health Division of the Maricopa County Environmental Services Department.

The Maricopa County Environmental Services Department is the regulatory authority that issues permits for food and beverage concessions at special events. It is the County's responsibility to regulate the food sold at these events. If food or drink is not prepared and handled in a sanitary manner, the public's health may be at risk.

Requirements:

In order to sell or give away any food or beverage product at an event, you are required to have or apply to Maricopa County Environmental Services for a permit and pay an associated permit fee. There may be additional permitting requirements from the Maricopa County Environmental Services Department.

- Only those vendors selling bottled water or canned soda (unopened, from an approved source) are exempt from obtaining a permit. All other Vendor(s)/Contractor(s), regardless of product, are required to obtain a permit and pay the required fee per booth.

Note: It is the Applicant's responsibility to read over the guidelines to determine whether or not a health permit is required for any food vendors at their event. If you are not in compliance with Maricopa County Environmental Services Guidelines, it should be noted that a health inspector **could shut down your food operation on the day of the event.**

SECTION 9 INDEMNIFICATION AND INSURANCE REQUIREMENTS

An Applicant must comply with the insurance requirements to be able to obtain a Solicitation and Special Events Permit. A Permit will not be issued until all insurance requirements are satisfactorily met.

The Office of Special Events a minimum of five (5) working days prior to the event must receive complete and accurate Certificates of Insurance meeting the state's minimum requirements.

With reasonable notice to Applicants, the ADOA GSD reserves the right to require insurance of Applicants and/or Vendor(s)/Contractor(s) for activities other than those specifically mentioned, or to increase the minimum acceptable limits of liability.

Approval of insurance by the ADOA GSD does not in any way relieve or decrease the insurance liability of an Applicant or vendor. The ADOA GSD does not represent that the specified limits of liability, coverage, or policy forms are sufficient or adequate to protect the interest or liabilities of the Applicant or vendor.

All special event Applicants shall name the State of Arizona as an “Additional Insured,” on all policy(ies), except workers’ compensation, and shall reflect this on a separate endorsement.

Applicant agrees that any insurance available to the Applicant shall be primary and non-contributory to the State’s self-insured retention.

All Vendor(s)/Contractor(s) must comply with insurance requirements. Applicant is responsible for ensuring Vendor(s)/Contractor(s) have insurance as required or shall cover the Vendor(s)/Contractor(s) under the Applicant’s insurance policy. Applicant shall be responsible for obtaining and maintaining Certificates of Insurance and endorsements which are subject to audit by the State of Arizona.

Separate Certificates of Insurance with the limits stated in the insurance requirements, unless covered under the Applicants insurance, shall be provided for carnival and amusement companies, medical providers, aviation, and firework production companies. Endorsements shall name the State of Arizona as “Additional Insured.”

Additional coverage may be required depending upon the nature and scope of the event. For more information or questions regarding insurance requirements, please contact the ADOA GSD at 602.542.0034.

The ADOA GSD in consultation with the ADOA RMD (Risk Management Division) reserves the right to evaluate the liability of each event and assess the required insurance limits. Event permits will not be issued until all indemnification and, if applicable, insurance requirements are satisfactorily met.

Applicant is to provide a copy of the insurance requirements to their insurance agent or broker.

Include indemnification and insurance requirements in your agreements with your Vendor(s)/Contractor(s).

Indemnification and insurance included in this Handbook are for reference only. Applicant will be required to meet the insurance requirements and sign the applicable indemnification statement in the application.
